

Dear Members,

Please see below for this company if any member wishes to deal with them.

ACCORD LEGAL SERVICES

It was great to meet so many NARPO members at the fantastic conference in Blackpool this year. Accord are fully committed to assisting NARPO members and their families with their Estate planning needs. Accord are continuing to offer a Free of charge Will writing service to all NARPO members and their immediate family throughout 2023/24.

We are already providing free of charge presentations at NARPO branches and would love to offer the same to your branch too. The feedback has been fantastic, and we are keen to push on and help more members prepare for the future. Accord are experts in all areas of estate planning including, Wills, Protective Trusts, Lasting Power of Attorney, Court of Protection, Care fee and Inheritance Tax Planning. We can help your members take control of what happens to their estates when they pass rather than put their beneficiary's inheritance at risk.

Please feel free to circulate details of this offering to your member base, it is then up to them if they would like to speak with one of our team. Appointments are conducted by telephone, Skype, Zoom or home visit. The appointments usually take around half an hour on average. Once instructions have been taken, they are sent to our legal team, comprised of lawyers and STEP qualified staff that will draft the Will. All of our Wills are created on an advised basis – every consultation is bespoke and every Will drafted accordingly. Our consultants can also provide advice on a number of other estate planning services, including tax, Lasting Powers of Attorney, trust services and probate should anyone require further specialist advice.

As well as the above Accord are offering free practical bereavement advice following the passing of a loved one. We would be happy to help you with next steps following a bereavement.

To book an appointment interested parties can email NARPO@accordwills.co.uk and our booking team will be in touch to arrange.

If you would like to arrange a meeting to discuss presentations at your branch, please email Ed Stojanovic ed@accordwills.co.uk

I look forward to hearing from you
