

Circulated to all Branch Secretaries.

Good Morning All,

I hope this email finds you well.

I wanted to bring to your attention an important matter that was raised during the September NEC meeting by No 7 Region, regarding a petition to make the National Bus Passes UK wide. After further discussion with our LLA partners, we are circulating the petition, should Branches and members wish to get involved. The petition can be viewed here: <https://chnng.it/j5TwtZmjxS>

Many thanks

Kind Regards
Sophie
