

SING!

with the

KENT POLICE MALE VOICE CHOIR

Opportunities now exist for men to join our
happy band of singers.

We're not seeking operatic artistes, just ordinary men with a love of singing. If you sing in the shower and can hold a tune then you're just who we need. It would help if you read music but this is by no means necessary.

We sing in four parts - 1st and 2nd Tenor, Baritone and Bass so you will soon find your voice level. You won't be alone in this - we will help you all the way to find your niche and begin a musical journey you won't regret starting.

We perform concerts throughout the year in aid of various local and national charities. Our concerts are usually held in Kentish village churches, halls and any other venue able to accommodate a large choir.

You do not have to be a member of Kent Police to sing with us. We are open to men from all walks of life and communities. We're a friendly bunch, too.

Come and try us out at one of our welcome evenings
on either

THURSDAY 5TH JANUARY OR

THURSDAY 12TH JANUARY 2023

Both sessions start at 7.15 pm at Holy Family Church Hall,
Bicknor Road, Parkwood, Maidstone, ME15 9PS.
