

Dear Members,

Please find attached re Medal campaign which is self explanatory and is asking for medals for officers killed or hurt on duty

My MP has agreed to petition parliament BUT insists on this new Parliamentary Petition being broadcast.

So this one is VERY important being as I'm having to start again cos 'Change.org' one cannot be referred to in the 'house'.

AND I want the figures to be respectful.

So can you sign AND broadcast it to your branch and other Kent ones, please?

Kind regards

Tom
