Subject: KENT POLICE MALE VOICE CHOIR

Dear Branch Secretary

David Gadsden, NARPO's Maidstone Branch Secretary, kindly provided me (at my asking) your contact address in order for me to make a small request.

As you may know, the Kent Police Male Voice Choir has been in existence since 1978 and during that time has represented Kent Police at many charity fund-raising events.

We are now actively seeking new recruits to join our ranks and to this end are holding two 'Taster Evenings' in January 2023 at which we hope to gain a number of new members.

Somewhere among the ranks of NARPO are men who may be interested in joining KPMVC and so I wonder if you would kindly consider using the attached PDF in your online - or printed - channels of communication to your members.

Singing in a group is a unique experience and we're keen to spread the word as much as possible!

With many thanks in advance and kind regards.

Geoff Fisher
